Raising Readers Update

Book Update *Peek-a-boo* x 2

We'll soon start distributing a new six-month book titled *Peek-a-boo*. Readers play "where's the baby?" by lifting-the flaps in this board book by Jan Ormerod.

Some of you may remember that we had another book titled *Peek-a-boo*. That book was distributed from August 2002 – November 2003 and was given to four-month olds. We're sure not many of you have any of that title left, but thought we'd let you know in case of any confusion.

Damaged books?

If you receive any damaged books, please let us know. Tell us if they were damaged in shipping or if it looks like a publisher's defect. We'll take care of the damage claim and make sure you have pristine books to give to your patients. Thanks.

Staff News

Joining us this month is our new program director, Diane Skog. Diane comes to Raising Readers from her position as a program manager at MaineHealth. A self-professed bookworm, she lives in Portland with her husband and two daughters. Welcome aboard, Diane!

Quality Improvement Survey

We recently mailed a quality improvement survey to each of our medical practice sites. Please take a moment to complete the survey and fax it back. It helps us fine tune the program and it's not a lot to ask in return for the beautiful books you receive to give to your patients.

Note: It's really important that the medical contact (physician, PA or NP), **not** the side coordinator, complete the medical contact side of the survey.

Did we mention we'll enter your name in a drawing for a set of eight children's books?

Don't worry birth centers. We'll be sending you a survey as well and you'll also get a chance to win some wonderful books.
