

# Raising Readers Update

October 2007  
Volume 7, Issue 10

## We Couldn't Have Done it Without You!

Reaching this milestone wouldn't have been possible without our **374** participating sites.

Our thanks for your continued support of families and early literacy in Maine!

## It's Official! One Million Books

Former First Lady Barbara Bush has been a long time supporter of Raising Readers. She recently helped the program celebrate its **One Million Books** milestone!

Mrs. Bush joined **Dr. Conner Moore** of **Prime Care Pediatrics** in Biddeford in giving a symbolic **one million<sup>th</sup>** book to one of the children in his practice.

Another long time supporter, Maine's First Lady, Karen Baldacci, will join us in another celebration in Bangor later this month.

*Barbara Bush and Dr. Conner Moore presented 5 year old Jacob with the symbolic **one million<sup>th</sup>** book.*

## Take 'em Down Please

Thanks for putting up these displays to encourage families to share their favorite photos of their kids reading. We received a ton of great photos! We're using the photos in a variety of ways in our **One Million Books** celebration. **(Please throw your display away as the contest has now ended.)**
