Holiday Greetings from Raising Readers

One of the greatest joys of this season is the opportunity to say thank you and to wish you the very best for the new year!

Thanks for making books an integral part of how birthing services and well child care are provided in Maine.

A Gift for the Children of Maine

The Raising Readers program has been a lasting gift for the children of Maine thanks to the generosity of the Libra Foundation and the support of participating sites like you.

Together you've brought books into the homes of more than 190,000 individual children over the last eleven years. Since 2000, more than 1.7 million books have been distributed.

The result is that nearly all children age birth to five have a personal library of a dozen books before going to school. That's something Maine can be proud of and that no other state can claim.

The Libra Foundation provides all the funding for Raising Readers. Show your appreciation for the beautiful books you receive for your patients by sending a note to: Libra Foundation Trustees, PO Box 17516, Portland, ME 04112.
